MANAGEMENT DISCUSSION & ANALYSIS REPORT

INDUSTRY STRUCTURE AND DEVELOPMENT

The paper and pulp industry in India has been undergoing a structural shift driven by sustainability concerns, digitisation trends and evolving consumption patterns. Demand for writing & printing paper remains subdued; however, packaging paper and board continue to witness healthy traction owing to e-commerce growth, FMCG expansion and increased environmental focus on recyclable packaging solutions.

The industry faced its own headwinds during the years of economic slowdown and supply chain disruptions, including volatility in pulp prices, energy costs and availability of working capital.

For companies emerging from stressed operations or insolvency processes, industry re-entry requires calibrated capital allocation, strong operational discipline and focused revival efforts. Against this backdrop, the Company is currently in an early revival phase following the approval of its Resolution Plan under the Insolvency and Bankruptcy Code (IBC).

OPPORTUNITIES & THREATS

Opportunities

- ✓ Approval of the Resolution Plan provides the Company with a clean and sustainable capital structure, enabling operational re-start and long-term planning.
- ✓ Growing domestic demand for packaging grades presents an opportunity for product diversification in future phases.
- ✓ Government focus on reducing single-use plastic enhances prospects for paper-based alternatives.
- ✓ Optimisation of assets and processes under new management may unlock efficiencies.

Threats

- ✓ Prolonged suspension of trading and regulatory constraints until the capital-reduction formalities and new ISIN activation are completed.
- ✓ Highly competitive market structure with established players and capital-intensive entry barriers.
- ✓ Continued volatility in input costs (pulp, chemicals, coal, power).
- ✓ Macro-economic uncertainty and margin pressures in the near term.

SEGMENT-WISE / PRODUCT-WISE PERFORMANCE

The Company is currently not operational and therefore has no segment-wise revenue for the year. The focus during FY 2024-25 remained on compliance with the Resolution Plan, asset preservation and transition to the new management team.

OUTLOOK

- ✓ With the Resolution Plan approved by the Hon'ble NCLT and the new Board constituted, the Company is positioning itself for a structured revival. Key priorities include:
- ✓ stabilising the financial position post capital restructuring;
- ✓ completing statutory and exchange-related formalities (listing, trading, ISIN activation);
- ✓ evaluating feasibility of resuming operations in a phased manner;
- ✓ exploring strategic alliances and potential product diversification.
- ✓ The outlook remains cautiously optimistic, subject to availability of working capital, market conditions and infrastructure readiness.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company has internal control systems commensurate with the size and phase of its operations. Post CIRP, the new management has initiated strengthening of process-level controls, updating of documentation and enhancement of authorisation protocols. The Internal Auditor reports periodically to the Audit Committee, and corrective actions are implemented promptly.

The Company continues to review and improve its internal control environment to ensure reliability of financial reporting, safeguarding of assets and compliance with statutory requirements.

DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE

During the year under review, the Company earned **Rs. 13.55 lakhs** as total income, primarily from non-operational sources. The Company incurred a net loss of **Rs. 7,237.38 lakhs**, largely due to recognition of exceptional items arising from adjustments required under the approved Resolution Plan.

As operational activities remain suspended, the financial performance does not reflect core business operations. Net worth continues to remain impacted by accumulated losses; however, capital restructuring under the Resolution Plan places the Company on a more sustainable footing for future revival.

RESEARCH & DEVELOPMENT

During the FY 2024-25, the Company did not undertake any R&D activity due to non-operational status. The revival strategy may include assessment of modern paper-making technologies, sustainability practices and energy-efficient manufacturing processes in subsequent phases.

QUALITY, ENVIRONMENT & SAFETY

Even though production activities were not undertaken during the year, the Company remains committed to world-class standards in product quality, workplace safety and environmental compliance. Operational SOPs, safety protocols and pollution-control mechanisms will be re-evaluated and upgraded prior to commencement of manufacturing activities.

HUMAN RESOURCES AND INDUSTRIAL RELATIONS

Since the Company was under CIRP for most of the year, employee strength remained minimal. As the revival process progresses, the Company intends to build a performance-driven and skilled workforce. The Management acknowledges human capital as a critical asset for future operations.

Industrial relations remained cordial during the year.

RISKS AND CONCERNS

The Company has identified the following key risks:

- **Revival Risk:** Timely completion of statutory formalities and procurement of working capital is essential for operational restart.
- **Market Risk:** Competitive pressure and price fluctuations in the paper industry may impact profitability.
- **Compliance Risk:** Delay in regulatory approvals, including listing and trading permissions, may impact timelines.
- **Operational Risk:** Restarting a non-operational unit requires significant investment in maintenance, modernisation and manpower mobilisation.

The Company is strengthening its risk-management framework to systematically identify and mitigate such risks.

KEY FINANCIAL RATIOS

We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

5. Information other than the Standalone Financial Statements and Auditors Report thereon

The Company's Board of Directors is responsible for the preparation of information other than the Standalone Financial Statements. The Other information comprises the information

included in the Management Discussion & Analysis, Board's Report including Annexures to the Board Report, Corporate Governance Report and Shareholder's information, but does not include the financial statement and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover such other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that matter to those charged with the governance. We have nothing to report in this regard.

This is to inform that there might be possibility of some significant information escaped while preparing financial statements, which may effect the financial position and true and fair view of financial statements. However, we have reported observations and our opinion at the respective points to this report.

6. Responsibilities of Management and those charged with Governance for the Standalone Financial Statements

The Company's Management is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India, including Accounting Standards specified under Section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

For the period from 01.04.2024 to 26.11.2024, the Resolution Professional (RP) was responsible for the management of the affairs, including control over all data and operations of the Company, in accordance with the provisions of the Insolvency and Bankruptcy Code, 2016. Pursuant to the acquisition of the Company under the approved resolution plan, the management assumed responsibility for all data, records, and operations of the Company from 27.11.2024 to 31.03.2025. Furthermore, as on 31.03.2025, there is no ongoing business activity in the Company, as it was acquired on 27.11.2024.

7. Auditor's Responsibilities for the audit of financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- (a) Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- (b) Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- (c) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- (d) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- (e) Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements

represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in:

- (i) planning the scope of our audit work and in evaluating the results of our work; and
- (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

- a) The financial statements of the Company for the year ended 31.03.2024, were audited by the predecessor auditor M A A K And Associates, Chartered Accountants, whose report dated 14.11.2024, expressed a qualified opinion on those statements. The qualification in the report of the previous auditors, unless otherwise reported, has been addressed due to the resolution process as described hereinafter and management actions thereafter.
- b) We draw your attention to **Note No 26 and 28** of the financial statements which describes the implementation of the resolution plan pursuant to approval by National Company Law Tribunal by an Order dated 27.11.2024 and the resultant impacts of the same on the financial statements for the year ended 31.03.2025.

ANNEXURE - B TO THE AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Shree Rajeshwaranand Paper Mills Limited** ("the Company") as of 31 March 2025 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

The system of Internal Financial Control Over Financial Reporting with regard to the company could not be detected as the company was under Corporate Insolvency Resolution Process and the new management has acquired the same through the resolution plan passed by Hon'ble NCLT, vide order dated 27th November, 2024. Due to this reason, we are unable to obtain sufficient appropriate audit evidence to provide a basis for our opinion whether the Company had adequate internal financial controls over financial reporting and whether such internal financial controls were operating effectively as at March 31, 2025.

We have considered the disclaimer reported above in determining the nature, timing, and extent of audit tests applied in our audit of the financial statements of the Company, and the disclaimer does not affect our opinion on the financial statements of the Company.
